Game Preparation:

Firstly, you need to cut out each of the Animal Cards.

Secondly, you need to cut out each of the Habitat Cards.

How to Play:

Turn all cards face down

Take it in turns to turn two cards over at a time, trying to match the animal with its habitat.

(You might need to discuss possible habitats with others).

The winner is the one with the most pairs of cards matched.

Extra . . .

When you have finished your game, you can paste the pairs of animals and their habitats onto a poster.

Write a slogan on your poster about the importance of maintaining habitat for biodiversity of animals.
