8th November 2023

Dear parent/guardian,

Newham Primary School is looking forward to another great year of teaching and learning and would like to advise you of Newham Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer: 1:1 computers for students, Kitchen Garden Program, Apps and programs, incursions and excursions, French cultural day, sustainability/ResourceSmart/Science, School Wide Positive Behaviours activities and musical instruments to name a few.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

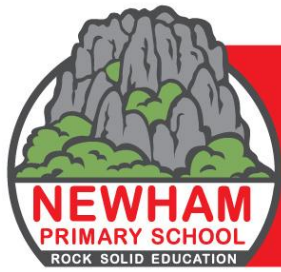

Yours sincerely,

Simone Wood

any other relevant information. Generally, we will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party.

Due to the need to pre-book venues and buses, the school has a 'no refund' policy for camps, sports and excursions/incursions, which will be clearly stated on all forms. (NOTE: Under extreme circumstances the Principal can authorise refunds – this may require a medical certificate or similar).

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:
