

NEWHAM PRIMARY SCHOOL

Critical Incident Plan Policy

The *Guidelines to the Minimum Standards for School Registration* require schools to provide evidence of having a critical incident plan. The Department's online Emergency Management Plan (EMP) tool, which all schools are required to follow, incorporates a school's critical incident plan and therefore Victorian government schools can use the online EMP tool, as evidence of both their EMP and their critical incident plan.

Newham Primary School's EMP is up to date online therefore evidence of both is satisfied.

REVISION HISTORY
