Introduction

To comply with the requirements of the Victorian Occupational Health and Safety (OHS) Act 2004 and the Victorian OHS Regulations 2017 the Department of Education (the Department) has implemented an OHS Management System (OHSMS) in all Victorian Government schools.

The OHSMS requires all volunteers to:

- report to the general office or designated site contact upon arrival at site
- complete an OHS induction using the Volunteer OHS Induction Checklist
- sign in and out and ensure their visitors pass is worn at all times whilst on Department or other premises
- have a current Working with Children Check, where applicable.

OHS Induction

Upon arrival at the site, you will be required to complete an OHS Induction covering the site-specific risks.

The volunteer OHS induction is valid for 12 months.

Volunteer OHS Induction Checklist

The Volunteer OHS Induction Handbook can be used to assist in conducting an OHS induction.

- establishing and monitoring
 using data to provide an evidence-based approach for setting the Department's strategic direction and identifying measurable objectives and targets
- allocating adequate resources to efficiently integrate and maintain the OHS Management System to comply with relevant legal and compliance obligations.

Capability Commitment

- embedding individual embedding legislative at legislative at wellbeing accountabilities for all employees across the Department requirement
 - legislative and Department health and safety requirements in all policies and
- increasing awareness and improving utilisation of the safety supports and resources available
- · providing access to nt and robust health, safety and wellbeing information, training, instruction, and documentation
- leadership capa by improving understanding of applying and menting he safety and wellbeing

Management Commitment

- strengthening systems assessing, controlling monitoring, and reviewin hazards and associated risks arising from task / workplace activities
- proactively aiming to identify hazards and eliminate (if not possible, minimise) risks, in the workplace by implementing controls in a
- promoting and misses, injuries and hazards and investigating where appropriate, to prevent
- providing an OHS Management System that is flexible and adaptable to the risk profile of Departm
- implementing risk improved mental health and wellbeing outcomes and redu psychosocial hazard in the workplace.

The Department employees, visitors, volunteers and contractors are required to take reasonable care for their own health, safety and wellbeing and others that may be affected by their actions or omissions. These parties will cooperate with the Department in adhering to health and safety requirements including following the Department's policies, procedures and/or instructions and participating in consultation and training.

The Department's OHS Management System sets out how this policy is to be implemented

Jenny Atta Secretary 19/01/2022

Required conduct/behaviour

All volunteers are expected to abide by the workplaces code of conduct while on site.

This includes:

- No smoking on school grounds or within four metres of an entrance to all Department workplaces.
- No alcohol or drugs are to be consumed on any Department premises. Any volunteer under the influence will be dismissed.
- No offensive language is permitted on any Department premises.
- Noise must be kept to a minimum. If this is not practicable, then non-urgent work should be scheduled outside of school hours, where possible.
- Possessions, materials, and equipment should be secured and not left unattended.
- Abide by the workplaces traffic management procedures.
- Entrance to other areas of the Department workplace aside from the work area is prohibited, unless otherwise agreed to.
- Remove all litter and debris from the workplace.
- Report any problems, hazards, or incidents to the principal or their delegate.
- Dress appropriately and wear the correct personal protective equipment suitable.
- No pets are permitted on Department premises.

Access arrangements

Access

All volunteers must report to the general office or site contact and sign in upon arrival at the workplace or designated point where not on Department premises. This requirement is indicated on signage located at all entrances to the school, see below:

Traffic Management

Volunteers driving vehicles are to enter and exit the school grounds via the following locations:

School Carpark

Designated pedestrian crossings are:

Rochford Road

Vehicles entering school grounds must adhere to all traffic signage. Where there is no signage, vehicles are to move at walking pace at all times. If a vehicle has limited visibility or mobility, a spotter should be used when the vehicle is in motion.

Volunteers are not to operate vehicles on, or around, school grounds during designated drop off/pick up times or during break times:

Drop off: 8:40am to 9:05am

Recess: 10:55am to 11:45am

Lunch: 1:45pm to 2:35pm

• Pick up: 3:15pm to 3:45pm

First Aid and Amenities

First Aid

In the event of an injury:

- 1. if the injury is not serious, report or escort the injured party to the administration office for assistance
- 2. if the injury is serious ring 000, do not wait for first aid officer
- 3. stay with injured party. Send someone else to find the first aid officer or workplace manager
- 4. if no one else is available, ring the school number and inform the office that someone is injured at your location
- 5. if trained, apply first aid to the injured party
- 6. once incident is over, fill in an incident report at the office.

First Aid Kits/Room and Amenities

Refer to Evacuation Map (Appendix B) for the following information:

- Toilets and amenities
- Lunchroom
- Parking
- First Aid Room
- First Aid Kits
- Other

First Aid Officers

Our school First Aid Officers are:

- Tim Furphy
- Sharny Smith
- Narelle Reino
- Jacqueline Lee

- Brooke Mann
- Rai Jones
- Libby Fullard

Emergency Management

Workplace Codes

In the event that a code is called, please obey the following instructions:

CODE GREEN	SOCCER FIELD EVACUATION
CODE PINK	MAIN SCHOOL BUILDING
	EVACUATION
CODE ORANGE	LOCK DOWN
CODE YELLOW	OFF-SITE EVACUATION

Emergency Procedures

On hearing the alarm:

- switch off all equipment
- · proceed to the advised assembly area
- · report to one of the wardens
- do not leave the assembly area until advised.

Leaving Site in an Emergency

All volunteers are required to proceed to the evacuation point and remain there until given clearance to leave by the Incident Controller or principal or their delegate.

Evacuation Point and Emergency Exits

The evacuation point is located at the **Soccer Field**; refer to Evacuation Map (Appendix B) for the Evacuation Point.

Emergency Exits are identified by an exit sign above the door:

Please refer to Evacuation Diagrams displayed around the school for the location of Emergency Exits.

Workplace Wardens/Incident Controller

Our school Incident Management Team (IMT) are:

Chief Warden/Incident Controller	Tim Furphy
Operations Officer	Tim Furphy
Communication Officer	Tim Furphy / Narelle Reino
Planning Officer	Tim Furphy
First Aid Officer	Narelle Reino
Logistics Officer	Specialist Class without a class (Tues, Wed, Fri)
	Rai Jones (Mon, Thurs)

Site specific hazards

Hazardous Substances and Dangerous Goods

If transporting hazardous substances or dangerous goods onto site, the principal or their delegate must be informed. You must complete a Safe Work Method Statement or equivalent to outline the controls methods you will use to ensure that the risks of the hazardous substances and/or dangerous goods are managed.

Such controls may include, but are not limited to:

- the provision of Safety Data Sheets (SDS)
- · correct labelling of containers
- · correct storing and handling of containers
- · correct disposal of any waste
- provision of personal protective equipment (PPE).

Asbestos

All schools are expected to have a Schools Asbestos Management Plan in the event of the discovery of suspected asbestos containing material (ACM) or the accidental disturbance of existing ACM.

If ACM has been identified in the school, the following process must be followed prior to the commencement of works:

- Asbestos Register MUST be checked at the time of sign-in when the proposed work involves drilling, scraping, sanding, sawing or any other destructive process.
- if work is to be carried out in the vicinity of Asbestos Containing Material, the Asbestos Coordinator **Tim Furphy Ph: 03 5427 0235** must be consulted prior to the commencement of work.
- asbestos containing material may only be removed by a licensed removalist.

Animals/Wildlife

There is the potential to come into contact with domestic animals and wildlife while on this site. Should this occur, you must:

- do not approach any domestic animals (e.g., dogs) or dangerous wildlife
- report the sighting of any domestic animals or dangerous wildlife to the principal or their delegate
- do not reach into any holes or gaps in the buildings without first checking to see if it is safe.

Hazard and Incident Reporting

Any hazard or incident that poses a risk to the safety of a student, parent, visitor, volunteer or employee must be reported.

- Call 000 immediately to report any incident threatening life or property. This number will connect you to the following emergency services:
 - o police for crime, injury that may not be accidental, or assault
 - o ambulance for injury and medical assistance
 - fire brigade for fires, gas leaks and incidents involving hazardous and dangerous materials.
- Notify the administration office in person, or, if unable or unsafe to do so, notify someone via the emergency contact list.
- Principal is to report the incident on eduSafe Plus.

Risk Assessments

Overview of task(s) - Risk Assessment

Our school has put together a detailed Risk Assessment which includes the hazards and risks of the task/s being performed and includes controls that have been put in place.

This Risk Assessment will be available for volunteers and should be communicated prior to work taking place.

Plant and Equipment Safe Work Procedures (SWP) & Personal Protective Equipment (PPE)

Depending on the type of work taking place SWP's will be available for volunteers using Plant and Equipment. Suitable PPE will also be available for volunteers as required.

Further details will be available prior to the work taking place.
